THERE ARE VARIOUS OPTIONS FOR GETTING TO THE BODY DOCTOR:

### BY CAR

There is 2-hour free undercover parking located within the Westfield complex.

From Edgecliff Rd (Woollahra), turn onto Junction Street and enter the Westfield parking complex at the end of the street. Collect your ticket at the bottom of the ramp. Go straight ahead following down another ramp. At the bottom, veer to the right and then immediately to the left. Look for the Tower 2 signs and arrows. Immediately veer to the right following the "Exit Grafton Street" sign. Drive to the very end and turn right again. Travel straight ahead ignoring the exits on your left, continue a little further and you will see the Tower 2 sign/lifts. Park nearby and take the Tower 2 lift to the ground floor. Switch lifts and go to the 18th floor.

The Body Doctor is well signposted once you reach level 18.

### BY TRAIN & BUS

The Body Doctor is located directly opposite the Bondi Junction bus/train interchange, on the corner of Grosvenor and Grafton Streets.

### BY TRAIN

From the Bondi Junction terminal follow the Grafton Street exit signs and emerge onto Grafton Street. Face the upward slope and walk to the corner. Tower 2 (see large David Jones sign) is directly across the road. Enter Tower 2 via the large glass doors and take the lifts to the 18th floor. The Body Doctor is well signposted once you reach the 18th floor.

### BY BUS

From the Bondi Junction interchange follow the Grosvenor St Exit signs. When you reach Grosvenor Street, Tower 2 (see large David Jones sign) is directly opposite. Enter the lifts via the large glass doors which are located diagonally opposite on the street corner. The Body Doctor is located on the 18th floor.
